PROFESSIONAL SUMMARY

Curious, consistent, and always willing to learn. I learn more by building, experimenting, and solving real problems than by simply reading about them. I don't know everything, and I'm comfortable with that—I enjoy asking questions, learning from others, and improving through every challenge. For me, every project is another opportunity to learn something new and become better at what I do.

TECHNICAL SKILLS

Languages: TypeScript, JavaScript (ES6+) HTML5, CSS3

Frontend: React, Next.js, Tailwind CSS, Redux Toolkit, Shadcn UI

Backend: Node.js, Express.js, REST APIs,

Databases: MongoDB, Redis

Authentication: JWT, OAuth, Clerk

Cloud & DevOps: Git, GitHub Actions, Linux, Cloudflare, Vercel

Tools: Postman
